## VENDOR OPPORTUNITIES

The Lake County Pistoleros are not charging a fee for any vendor wishing to set up. Electric is available for a fee of \$20.00.

Due to limited space, we do require that a Vendor Application be submitted. This is to ensure that you have a space when you arrive. You will receive a confirmation with the information you submit. In addition to your vendor application, you must submit a completed insurance waiver for yourself and anyone that will be at the range with you.

We encourage vendors to provide gift certificates and / or merchandise. The merchandise will be used as door prizes for the approx. 300 shooters. Sponsorships are also available. This is not a requirement.
